Division, Racing & Competition Classes and Distances.

Championships Classes.

The Championship Divisions, Racing and Competition Classes that will be contested are listed below, provided that sufficient entries are received for each competition class. Classes may be combined.

For the CCWC a minimum of six entries from different IDBF Member Associations or Non-Member Dragon Boat Associations are required per competition class for World Championship status, while at least three entries per competition class are required to qualify for IDBF championship status. Each Country or Territory may enter 5 different crews (one per Club), per Competition class.

The Small Boat Races are aimed at new Crews or older Clubs with a small number of available paddlers in a Racing Class. A Club can enter the Standard or Small Boat Races or both but the Small Boat paddlers all have to be different paddlers from those in any of the Standard boat crews. A Club cannot enter a Standard and Small Boat crew in the same Championship Division. (Championship Divisions are Premier, Senior, Junior and U23s) and the double rostering of paddlers between any Divisions is discouraged.
